

Blackheath Motor Inn

Blackheath Motor Inn is set in the centre of Blackheath, a picturesque township in the Blue Mountains of New South Wales.

The Motor Inn features unique Alpine styled rooms set in lush gardens. A delicious home cooked breakfast is served to your room. Being single storey, there are only a few steps to negotiate. All rooms are well equipped with the usual amenities befitting a three and a half star motel. DVD's are also available for your entertainment.

Very informative local tourist information and bushwalking advice is readily available from your hosts Senga & Eddy. You can also ask Eddy to organize a mid-week golf package at the stunning Blackheath Golf Club.

Whatever you choose, you can be assured of a friendly, cosy family atmosphere at the Blackheath Motor Inn!

Blackheath and the Wild Blue Yonder

Just a few minutes drive in any direction from the Motor Inn can be found great expanses of the Blue Mountains. Stand on top of escarpments and gaze for kilometres into the wild wilderness of the Blue Mountains National Park. Govett's Leap Lookout, Pulpit Rock and the Shipley Plateau, all provide wonderful vistas. Breathtaking walks abound with the Grand Canyon and Porters Pass the most popular.

Megalong Valley, just a 10 minute drive, takes you through lush rainforest to many horse riding opportunities or bushwalking on The Six Foot Track. You may be lucky enough to sight kangaroos or other native animals.

Blackheath township itself provides a variety of shops for the antique and curio buyer. Delicatessen and food stores provide all your exotic picnic needs. Cafes cater for morning /afternoon teas and lunches. There is also a wide range of restaurants from gourmet to take-away to suit your budget and fine dining requirements.

A Central Place to Stay

Blackheath Motor Inn is the ideal place to set out from for a day's drive. Choose from the world famous Jenolan Caves, The Three Sisters, The Zig-Zag Railway or Mt Tomah Botanic Gardens. You can also visit the other Mountain townships, each with their own special features.
